# EDITORIAL

Dear Customers,

You are holding in your hands the first edition of our export product catalogue.
Here you can find examples of our custom made products as well as selected products of our standard portfolio.

Standard products are devided into categories:

- Small POS fixtures
- Shelf equipment
- Brochure holders
- Cashtrays
- Display systems
- Promotables

In the catalogue you will find the following symbols:

We marked with this symbol molded small POS fixtures from our offer, which are made of recycled plastic granulate. Moreover, the molding technology makes almost no waste, all the material is processed incl. inlets (second recycling).

The catalog includes a number of new products that are marked with „N".

Our new range of eco POS can be found under this symbol.
This alternative to our standard offer includes several popular POS products engineered to meet environmental friendly requirements. For eco wobbler holders we replaced PVC with recyclable PET plastic, and we have modified their shape so that their manufacturing makes minimal material waste.
Also datastrips you can now buy in the PET alternative, the waste material is again minimal.

Items intended for contact with food are marked with this symbol.

Do not hesitate to contact one of our offices with your request, we will be happy to assist you.

We look forward to cooperation!

Yours

## PRINTED PAPER LABELS

We print on paper 135 g/m$^2$ 4/0 CMYK or as required.
We also provide cutting and assembling of labels with cashtrays.

## ADHESIVE FOILS WITH MIRROR PRINT

For bigger series 500 pcs up we can also do adhesive foil instead of paper label, for permanent branding. Print is on adhesive side and foil is sticked from bottom side of cashtray. Cashtrays are delivered assembled with foil.

## 3D INLAYS

For fixing inserted products or 3D effect at EXPO cashtrays we offer paper or plastic 3D inlays.
Paper inlays can be printed directly, clear plastic inlays are discreet in contrary and do not disturb the overall appearance.

# TRADING CONDITIONS

## HOW TO ORDER?

Choose items from our wide assortment. In case you can not find what you need, do not hesitate to call us on + 420 283 892 140. We will help you with pleasure.

Prices are shown at our e-shop www.sara.cz and you can also order goods directly on e-shop, or per e-mail info@sara.cz. Note your other requirements for packaging and delivery time. Standard payment conditions are cash and carry (personal pick up) or bank transfer in advance (prepayment). Bank transfer with 14 days credit is available only for standing customers with authorized extended due date.

The purchase order becomes obligatory after our written confirmation. In case we can not fully meet your requirements (for instance delivery time), we will let you know about that by return, the order becomes obligatory after your agreement of new conditions.

## DELIVERY TIME, TRANSPORT, PAYMENT

The goods is despatched as soon as possible, standard delivery time is 7-14 days if the goods is on stock. Check the goods properly when taking it over, report us immediately any eventual defects. In case you are given bank transfer with credit, don‘t forget to pay for goods on time.

## SAMPLES, DESIGN

We provide samples of standard items on request. We recommend to test intended usage, especially of items with adhesive tapes. The surfaces must be cleaned and degreased before application of adhesive tapes. Application of adhesive tapes must be performed in temperature about 21°C. Some surface finishing, e. g. UV lacquers, can release substances, that reduce the tack power of the tape. For customers, who work frequently with our small POS fixtures, we offer POS First Aid Kit – box with samples of most popular items.

We are looking forward to our cooperation!

Full and valid version of our General Trading Conditions is available at our website www.sara.cz
